

MOTION BY SUPERVISOR DON KNABE

February 7, 2012

On Sunday, September 18, 2011, Tony Craig Bowman Calloway, 21, was standing with a group of other individuals in front of a residence in the 2300 block of Locust Avenue in Long Beach where he lived. Tony was talking with the other individuals when an unknown suspect on foot started shooting from the southeast corner of Locust and Eagle Street. Tony was fatally shot.

No one has been arrested in this case. The victim is not a gang member but Homicide Details believe the suspects are gang members. Investigators believe it would be beneficial to offer a reward in this case, which may prompt reluctant witnesses to come forward and provide information to identify the individual(s) responsible for this crime. They can remain anonymous.

I, THEREFORE, MOVE that the Board of Supervisors offer a \$10,000 dollar reward for information leading to the arrest and conviction of the perpetrators(s) of this heinous crime.
